SCARLET "S" for 1964

Shelby, Ohio

Published by the

Annual Staff and

Senior Class of

Shelby High School

CLASS MOTTO

For everything there is a season, and a time

For every matter under heaven:

A time to be born and a time to die

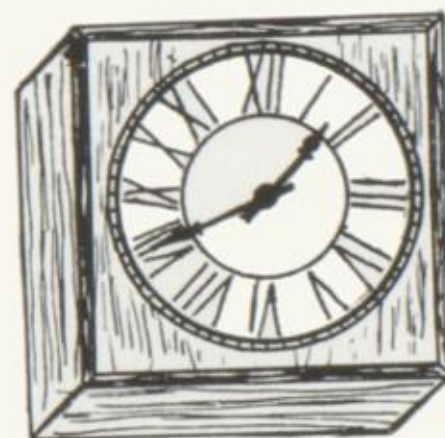

A time to mourn and a time to dance

A time to weep and a time to laugh

A time to keep silence and a time to speak

A time of love and a time of hate

A time for war and a time for peace.

P.S.

SHELBY HIGH SCHOOL

In the fifty or more years that this building has served at Shelby High School, many students have passed through its doors. For most, the four years spent here have been ones of change, of growth, of expansion, of ideas, and of ideals. Now it is the school's opportunity to change. In the time since 1924 high school enrollment has almost tripled, while the school capacity has not been doubled. The new senior high school being built on West Smiley Avenue will be beautiful, new, and spacious, as this one was over forty years ago. But it, too, will change with time.

Student and Faculty Member about to enter Shelby High School (John Hancock and Mr. Harold Markin).

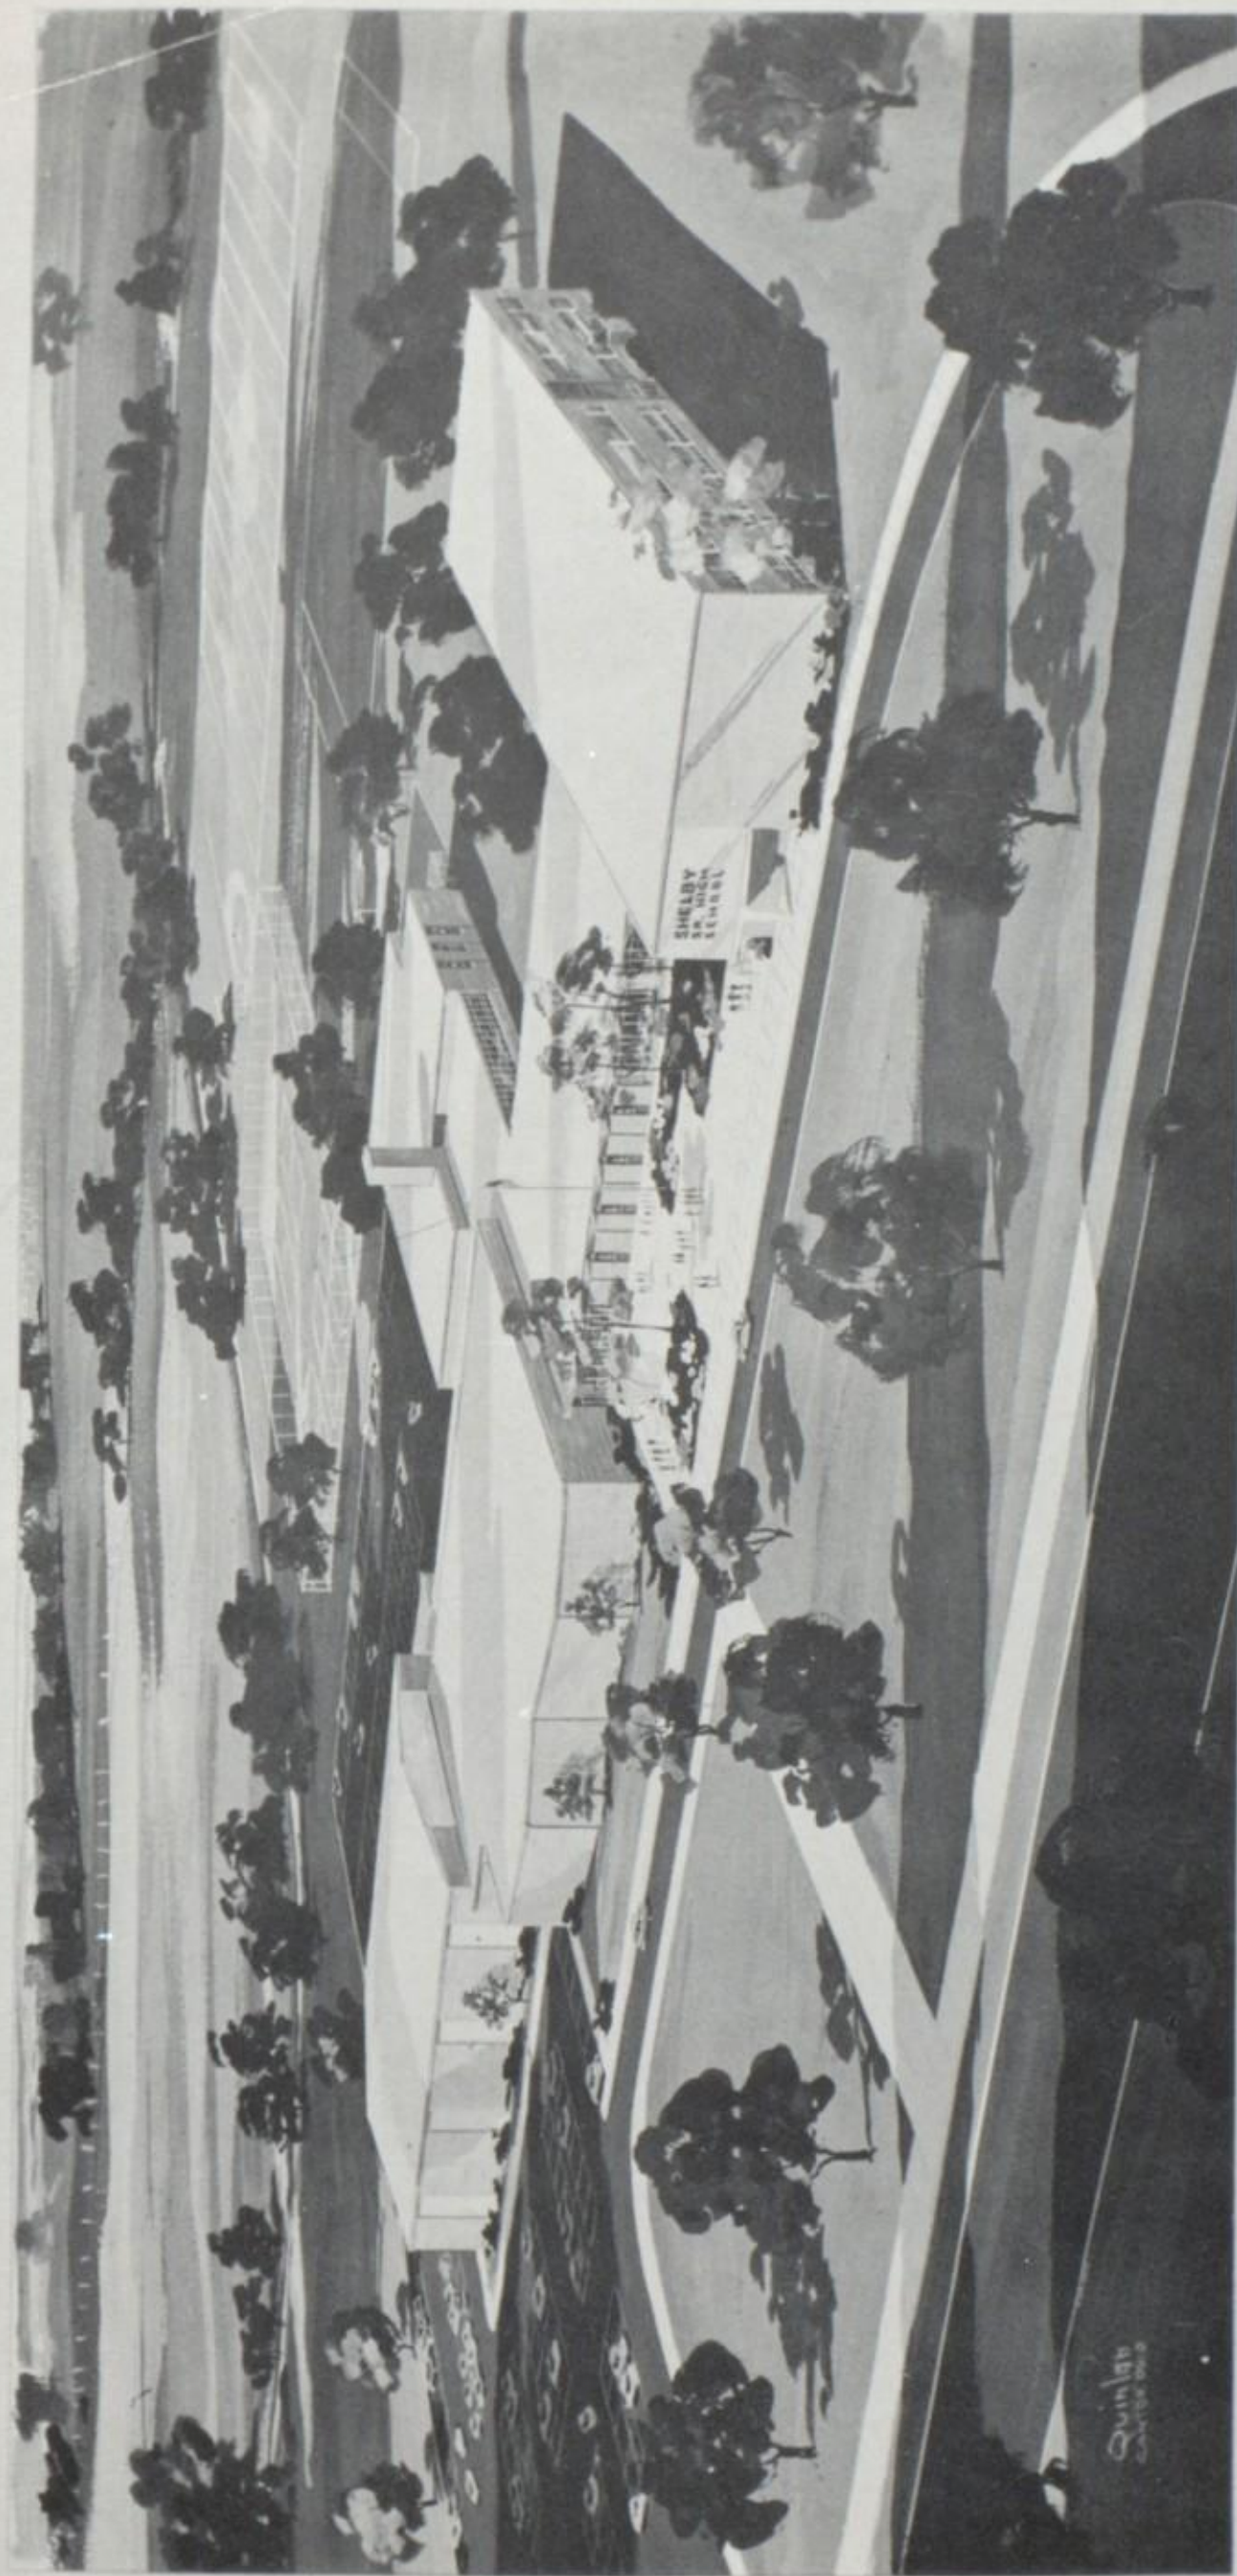

A view of Shelby High School looking to the south from the west and showing portions of the two additions built to the original structure of Shelby High School.

The New Shelby Senior High School

The beginning of the new Shelby Senior High School on West Smiley Avenue
This picture was taken in December 1963 soon after the contractors—Friebel and
Hartman of Shelby, Ohio—had started the actual construction of the new high school.

ARCHITECTS

Architect's drawing of the New Shelby Senior High School which is being built on West Smiley Avenue. As the school enrollment has increased, it has been necessary to ask the voters of this school district to approve a bond issue for the purpose of constructing a new senior High School.

DEDICATION

MISS DORA SUMMER

In the many years Miss Summer has taught at Shelby High School, she has instilled in her students an appreciation of foreign languages and cultures. She has the ability to look on the vagaries of the class with gentle humor while urging them to greater efforts. Her comparisons between ancient and modern life helped to show her students that the wise learn from the past. Miss Summer is an important part of the early high school impressions of the present senior class. With respect for her ability, as well as her kindness, the editors dedicate this yearbook to Miss Dora Summer.

MRS. EDYTHE YETZER

By her enthusiasm for English and American Literature, Mrs. Yetzer has given her students a deeper understanding of their literary heritage. Her efforts in behalf of the students of Shelby High School include advising the Student Council, but go beyond that to a personal interest in their plans for the future. For a number of years she has helped prepare her students for the roles they will play as members of our society. For her efforts for the school and for the students, we, the editors, proudly dedicate the 1964 SCARLET S to Mrs. Edythe Yetzer.

The 1963-1964 Hi-Y Club marks the end of the first decade of Hi-Y organization in Shelby. In its meetings the club attempted to utilize the creativeness of individual members of the club in planning and presenting the meetings. The trips of the club were designed to be either informative, as the trips through factories, or helpful, as the work on the

week-ends at Camp Nelson Dodd.

Money-earning projects such as car washes, pecan sales, a pancake supper, and co-sponsorship of the Christmas Dance, provided an opportunity for each of the members to participate in fun, fellowship, and service to the club and to the community.

The Student Council of Shelby High is made up of representatives from the various homerooms. The Council provides for student participation in school affairs by sponsoring the homecoming queen and court elections, the homecoming dance, the class elections, and the selections for outstanding student in character awards that are presented on Recognition Day. The club also arranges to place information personnel in the halls to assist visitors who may come to the high school.

Buckeye Boys'-Girls' State 1963

Left to right: Louise Underhill, Sue Baker, Cheryl Shank, Sherry Bloom, Martha Medley and Faye Rinehart.

Buckeye Girls' State was held at Capital University, Bexley, Ohio, during the month of June. A workshop in government spiced with programs of purely feminine interest, Buckeye Girls' State was a most memorable and educational experience for all six girls.

Left to right: Tim Wildman, Steve Bell, Bob Miley, and John Wilcox.

From June 13 to June 22, 1963, Buckeye Boys' State was held on the campus of Ohio University in Athens, Ohio. All of Shelby's representatives were involved in legislative jobs. The knowledge and experience gained in this and all the other governmental areas of Buckeye Boys' State will be of great value to all four boys.

Biology Club

FIRST ROW (left to right): Miss Haryett Snyder (Advisor), Genay Hess, John Hancock, Marty Mehall, and Pat Gregory.
SECOND ROW: Susan Stentz, Debbie Snyder, Suzy Jones, Mary Lou Wildman, Beth Van Dervort, Karen Krietemeyer, Marilyn

Krietemeyer, Joan Kerley, and Nancy Hoak.
THIRD ROW: Carl Medley, David Mehall, Kim Shepherd, Mike McKean, Steve Lake, Carl Hopkins, Terry Ervin, Fred Laubie, Mike Wooddell, Alfred Sneeringer, and John McKellogg.

To become a member of the Biology Club one must exhibit an acceptable project for judging at the local science show. Upon receiving a superior rating, he may enter the competition at the District Science Day which is held at Ashland College. If he receives a high superior, the student may advance to the State Science Day which is held in the spring at Western Reserve University for final judging. Projects may range from bacteriology to physics.

Included in the clubs numerous activities are field trips, panel discussions, movies, speakers representing various phases of science, and others. The club also sponsors a dance each year.

Officers of the club are elected at the last reg-

ular meeting each year. John Hancock, elected as this year's president, conducted the meetings which were held on the second and fourth Tuesday of each month. Vice-President Marty Mehall, also the chairman of the program committee, supervised the presentation of science programs and speakers at the meetings. Managing the club's finances, recording the minutes, and handling correspondence were the duties of Genay Hess, the secretary-treasurer. Pat Gregory, the reporter, handled all publicity for the club.

Miss Snyder and Mr. Holdsworth supervised the activities of the club and advised the members.

This year the Astronomy Club started the study of Astronomy and Space Science using the book entitled MODERN SPACE SCIENCE.

The project for the year was the building of a planetarium which was displayed at the Science Fair.

The purpose of the club is to promote interest in astronomy and space travel to the students of Shelby High and the people of the community. The Astronomy Club has presented a number of programs for several Shelby civic groups.

Radio Club

LEFT TO RIGHT: Mr. Sirofchuck, Terry Clabaugh, Glen Scott, Dan Siefferlen, Greg Davis, Greg Nelson, Mr. Archdeacon (Advisor), Larry Lawrence.
STANDING IN FRONT: Junior Members Andy Sirofchuck and Mike Sirofchuck.

The Radio Club was started to promote interest and skill leading to an amateur license and the associated privileges.

The group is attempting to build equipment for a club station so that anyone who is properly licensed may operate it.

The club also hopes to build low power equipment for the individual members so that they may communicate with each other.

This is the second year for the Radio Club at Shelby High School and the members have shown a great interest in its activities of the present.

Shelby High's Youth for Christ Club is interdenominational and open to all students for membership. Its threefold purpose is clearly defined as Christian outreach, Christian leadership training, and Christian fellowship. The meetings of the club combined with inter-club rallies are the main force of the outreach work. Since the students actually operate the club, talent and leadership qualities are developed. A sports program, Bible quizzes, regular funspirations, and many other activities are all part of Christian fellowship.

Whippet Tales Typing Staff

Each month a four-page issue of *Whippet Tales* is put on sale for the students of Shelby High School. The people behind the scenes are the six-man editorial staff: co-editors and four assistant, or page, editors. This staff is assigned the jobs of planning laying-out and proof-reading the *Whippet Tales* each month.

Whippet Tales' reporters must gather the infor-

mation, write it into newspaper form, and turn the article in to the editor of their particular page before the deadline date.

The advertising staff does all work (posters and announcements) promoting the sale of the paper. The typists type all stories handed in by the reporters in a prescribed form.

Miss Lillian Bowman is the tireless advisor.

Every July majorette tryouts are held at Skiles Field. By the end of a long morning 25 majorettes in 4 bands are chosen from a field of fifty or sixty girls. In their tryouts the majorettes are required to display their ability in rudimentary twirls, form, and marching, plus a two or three minute original twirling routine. Every girl must be a member of the band.

Gray Band majorettes are chosen from the

freshman and sophomore classes, while Red Band majorettes are chosen from the junior and senior classes. It is helpful if the Red and Gray Band twirlers have had previous experience, as seventh and eighth grade band majorettes, but this is not a prerequisite for membership in either of these teams.

All majorette selection is done by Mr. Somerville and Mr. Rowe.

The 1963 Reserve Football Team proved to be one of the most successful reserve teams to be coached at Shelby High. Gaining an average of 6.1 yards per play, the team halted their opponents for an average gain of 3 yards per play. Led by co-captains Joel Hunter and Dave Spangler, the team drove for a total of 2093 yards, winning nine games and tying only one.

Sectional Tournament

Shelby 47—Ashland 60

The Shelby Whippets began the season with a lack of height, but with plenty of spirit. The season ended with a one-eighteen won-lost record, but served as a training year for the younger players. Steve Smith led in scoring with a 15.6 points per game average. Carl Henkel led the team in rebounds. Wildman, Moore, Fagg, Stentz, and Guerin played spirited ball.

The reserve team had a successful season, posting a thirteen and five won-lost record. Starting the season cold, they warmed up quickly, winning thirteen of their last fifteen games. Fensch, Fisher, Brown, and Felter were high scorers while Carver and Foreman hauled down most of the rebounds.

Ninth Grade Basketball Team

FIRST ROW (Left to right): Bob Conley (Manager), Phil Hobbs, Rod Troxell, Jim DeLong, Lyle Bruce, Joe Pitney, Rick Mazza, and Tom Depler (Manager).

SECOND ROW: Coach Strine, Mike Collins, Ron Russell, Bob Lafferty, Lanny Hopkins, Jerry Roberts, Steve Maier, and Steve Riddick.

The Freshman Basketball Team finished a tough season with a 4-11 won-loss record. Beginning the season, the team members were inexperienced in team competition. However, they gained much experience in the games played and they should shape into a good ball club for future years.

In the Wooster Relays, Shelby placed 4th; in the Upper Relays, the team earned 4th; in the Tiffin Relays, Shelby placed 8th; and in the NOL meet, Shelby placed 5th.

The 1963 Varsity Thinclads completed the season with a record of one win and nine losses. This can be attributed to the fact that only four seniors scored points in varsity competition. The burden of scoring fell on the less experienced juniors and sophomores. The season can be said to have been an excellent training ground for next year's team as twenty let-terms are returning.

The leading scorers were Denny Gates with 66 1/3 points and Dick Miller with 46 1/4. John Wilcox led the underclassmen with 38 points and Carl Henkel ran a close second with 33 1/3 points.

Carl Henkel high jumped 5'8 1/2" and John Wilcox pole vaulted 12'6"—both setting new school records.

The 1963 Freshman Track Team may be one of the strongest teams ever to compete at Shelby High School. Their record of three wins and two losses is not outstanding but both losses came from powerful track and field schools.

Four of the most promising athletes along with their respective events are: Hugh Pittenger, shot and discuss throws; Larry Hobbs, 100 and 220 yard dashes; Bob Fisher, 100, 220, and 440 yard dashes; and Dennis Alfrey, 440 yard dash, pole vault, and high jump.

FIRST ROW (left to right): Joel Hunter, David Fensch, Dennis Alfrey, Robert Fisher, Francis Pittenger, Larry Baldrige, Larry Hobbs, and Dave Spangler.
 SECOND ROW: Thomas Anspach, Melvin Westcott, David Shade, Stephen Sexton, Curtis Roberts, Don Troxell, Jim Reed, and Todd McKinney.
 THIRD ROW: Coach Holdsworth, Bob Mazza, Emmett Fox, Forest Haverfield, and Mike Armstrong.

Varsity Golf

FRONT (left to right): Richard Greene and William Shaver.
 KNEELING (left to right): Bob Ross, Bob Hoffman, Jim Messenger, Richard Stroup and Bob Miller.
 STANDING (left to right): Coach Yohn, Howard Wilcox, Paul Wilcox, Charles Campbell, Dave Strouse, Richard Tiffany, Randy Smith, Jeff Bricker, Gary Hallman, and Larry Shreffler.

Shelby placed 2nd in the N.O.L. Meet.

Good, steady play led the 1963 Varsity Golf Team to a very productive season; thirteen wins, three ties, and four losses. The team outscored its opponents 184 1/2 to 88. Booming tee-shots and precise putting gave the team the very respectable

average of 85.9.

The Whippets were topped in scoring by Randy Smith with 48 points; Jeff Bricker posted the best average, an even 83.

Varsity Tennis

Playing superbly in one match and catastrophically in the next, the 1963 Tennis Team tallied six wins and eight losses. This record was not indicative of the ability of the team, however, as was proven by Shelby's first place finish in the N.O.L. Tournament.

The most consistent point getters for Shelby were Glen Griffith and Kenneth Ritchie.

Raymond Coy led the Reserves to a three and two season record.

The 1963 Varsity Baseball Team had an excellent season—winning nine games and losing five. Expert fielding and explosive batting proved to be effective for the team.

Many of the players had gained invaluable experience the previous year thus making them very formidable opponents.

Individually Jim Scheerer led the club in batting with a .514 mark and runs batted in with 19. Dennis Kidwell's earned run average of 1.20 was low among the Whippet hurlers. Roger May had the most outstanding season piling up six wins against one loss.

The 1963 Reserve Baseball Team had a very successful season by winning ten and losing only three games.

John Martin led the team in batting with a .333 average. Tim Johnson's 10 runs batted in was high among the Whippets. Home run honors were shared by Ed Thurman and John Martin. Each had one.

The pitching staff was headed by Jack Foreman with a 3-1 record.

Senior "S" Award

JOHN WILCOX

John Wilcox has brought no small amount of recognition to his school through his efforts in the pole vault event. John set the Shelby pole vault record three times his junior year before being hurt in mid-season. Perhaps his great accomplishment was placing third in the Mansfield Relays, a contest which pits the best athletes from parts of four states against each other. To win this contest he jumped twelve feet and six inches.

JAMES SCHEERER

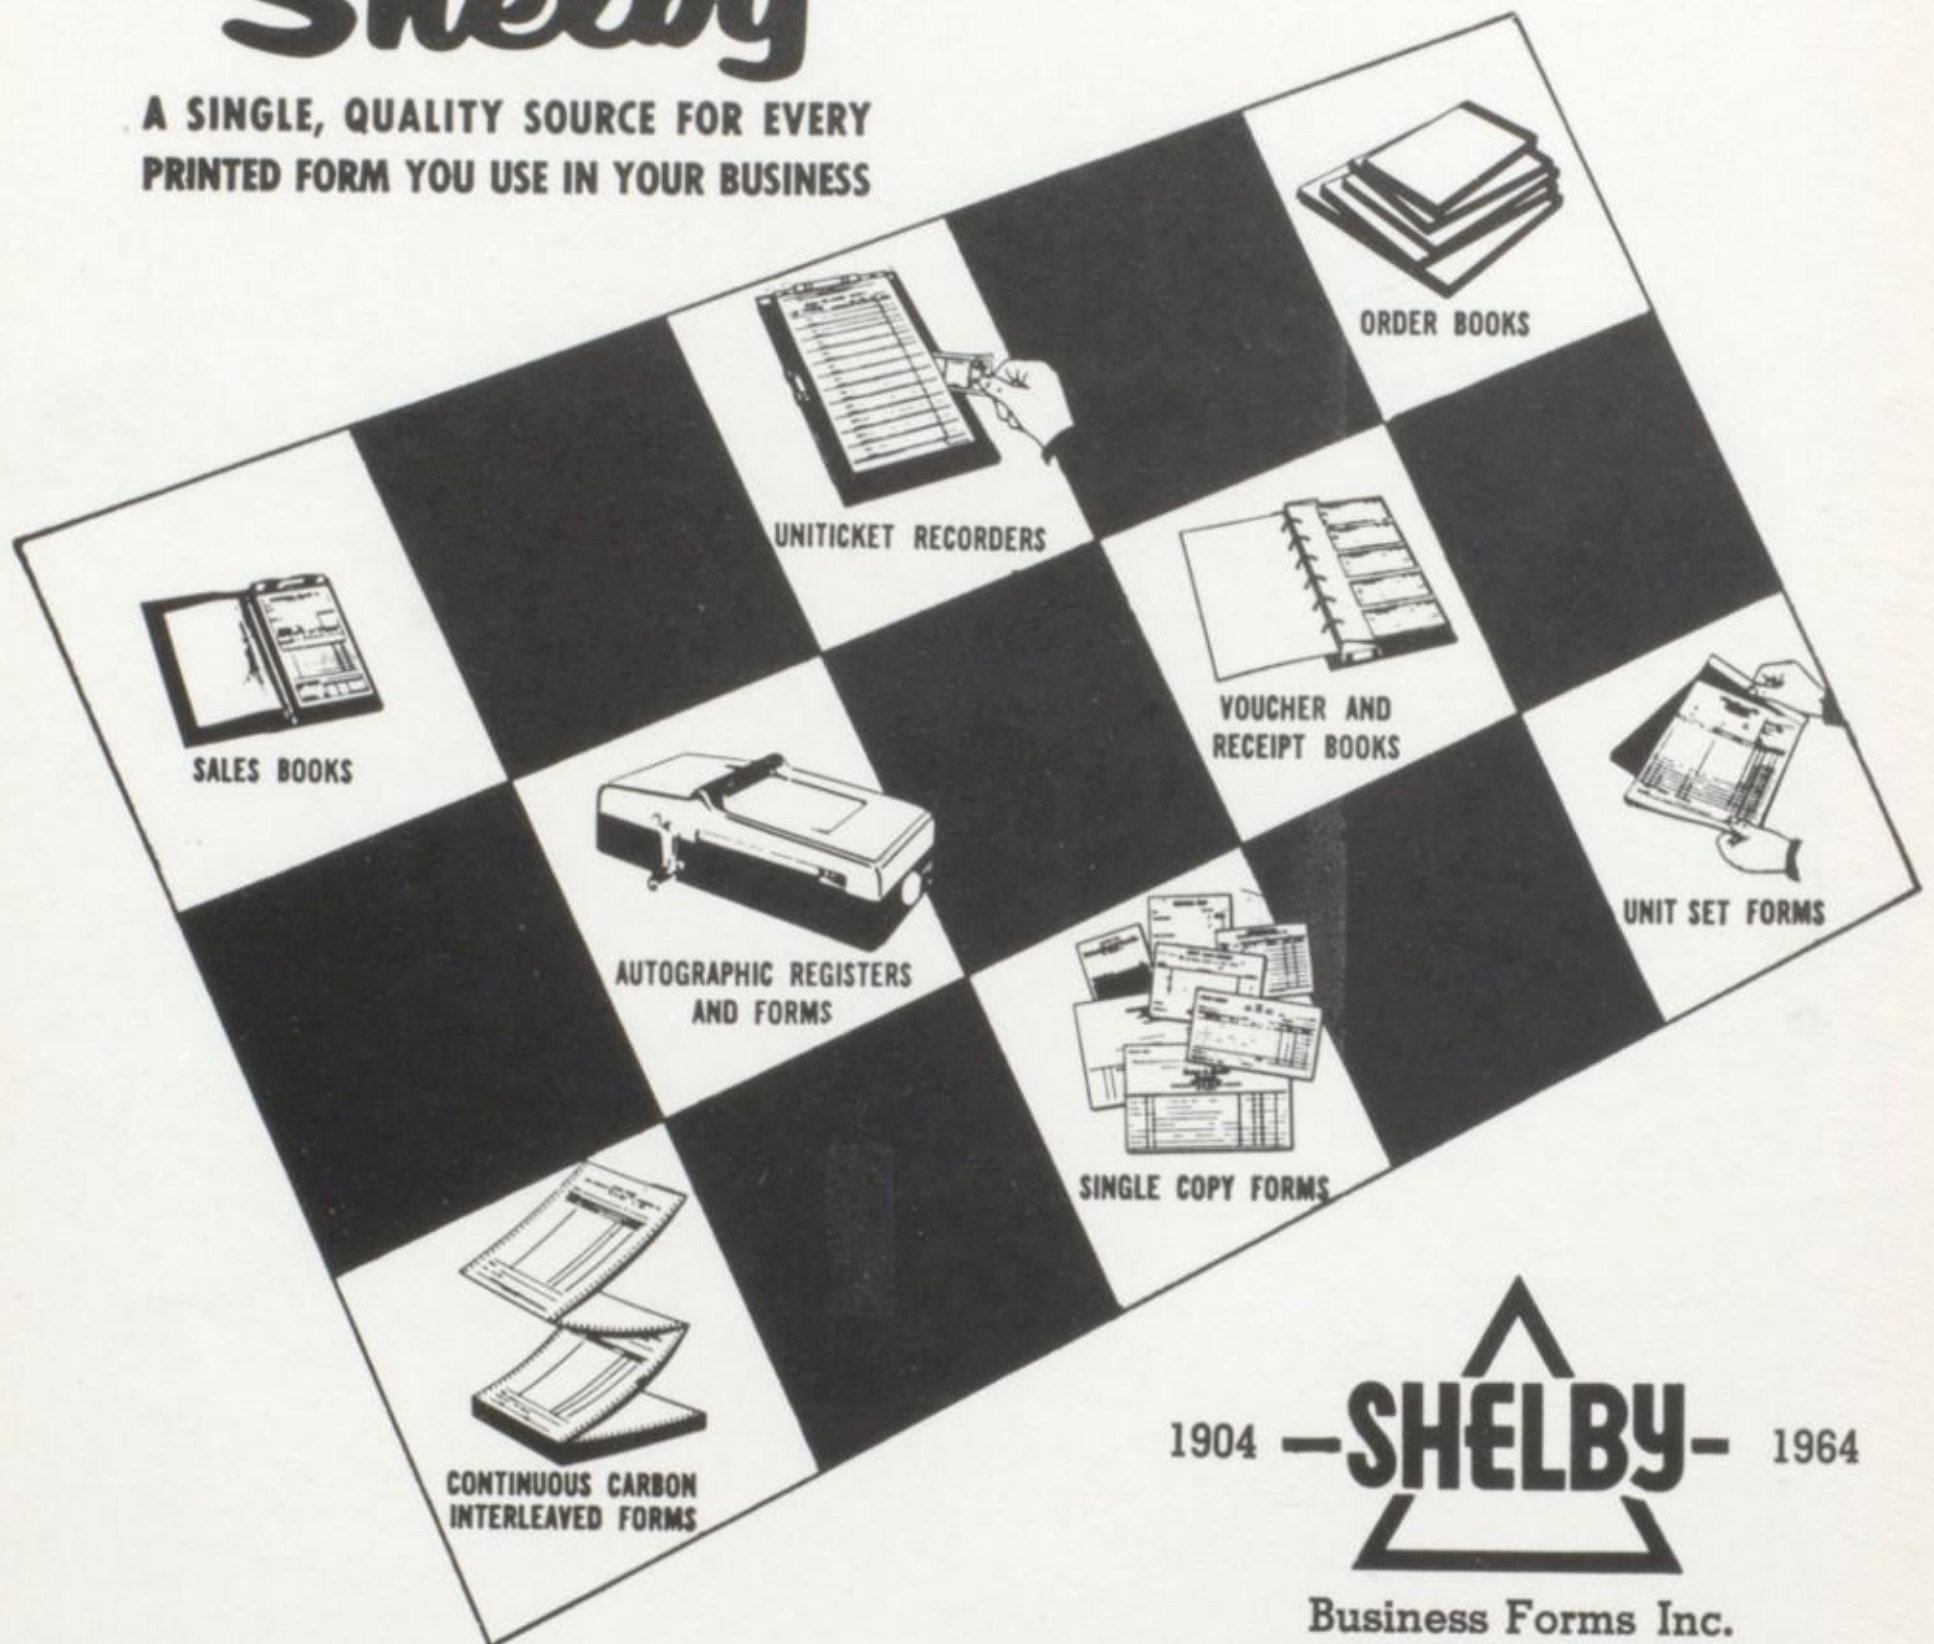

Jim Scheerer was a mainspring of the line on the Shelby Whippet football team for three years. Jim spent most of these three years at the tackle position where he distinguished himself as one of the toughest tackles in the N.O.L. Aside from football Jim has lettered in track where he threw the discus and in baseball as a good catcher and an excellent batter.

Ohio Seamless Tube Division joins your parents and friends in congratulating each member of the Class of 1964. Whether you plan to continue your education, or whether you plan to embark upon your career now, Ohio Seamless extends best wishes for your success.

Success may be hard to achieve, people will warn. In this age of advancing technology, they fear a shortage of jobs.

It is a fact that automation has taken over much heavy and routine work. But, business and industry are ready to welcome you . . . or anyone who has prepared himself with a good education and who is eager to learn new things.

Your diploma—and the education it represents—is the first step. The way you use your abilities and what you learn, will determine your success.
